

Call for Participation

We invite you to join us in **10th International Conference on Mechanical Engineering (Meche 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Mechanical Engineering. The conference documents practical and theoretical results which make a fundamental contribution for the development of Mechanical Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of MECHE 2023 includes:

- 7th International Conference on Biomedical Engineering and Science (BES 2023)
- 7th International Conference on Chemical Engineering (CHEME 2023)
- 7th International Conference On Civil Engineering (CiViE 2023)
